Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit coordinator reflection and observation, and formal student feedback.

Feedback

Continue to include weekly case studies as the primary means by which students apply knowledge from the weekly lectures and practise verbal communication skills to be used in oral exams.

Recommendation

It is recommended that the use of case studies to enhance student learning and preparation for student exams continues to be the main learning approach in tutorials.

Feedback from Unit coordinator reflection and observation, and informal student feedback.

Feedback

Continue to invite people with lived experience and/or industry experts to contribute specialist knowledge to the evolving topics in SPCH14001.

Recommendation

It is recommended that the unit coordinator invites guest speakers to contribute specialist knowledge in 2025 to enhance student knowledge and connections with industry.
