General Information

Overview

This unit is designed to assist you to develop and demonstrate the knowledge, skills, and attributes required to meet the minimal standards of the profession. In this unit you complete a paediatric-focused work integrated learning experience where you will provide safe, ethical, and evidence-based practice. You will apply person-centred, family-centred and community-centred approaches and engage in interprofessional collaborative practice as relevant to your workplace setting. You will further develop your ability to adapt your practice to respond to the needs of individuals and communities and gain experience using critical reflection in an authentic workplace setting. Following the completion of your paediatric placement, you are required to demonstrate holistic thinking, clinical reasoning, and application of evidence-based practice within the context of a paediatric case-based viva. Prior to the commencement of the unit, you must complete all pre-clinical requirements and maintain these requirements throughout the unit to engage in your work integrated learning.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit coordinator and assessment moderator reflection.

Feedback

Assessment 2, the oral viva, requires review and revision to ensure that the assessed components accurately reflect students' clinical knowledge and clinical reasoning, and that the format is clear and easy for students to understand in an oral delivery mode.

Recommendation

It is recommended that Assessment 2, the oral viva, be reviewed to ensure it effectively assesses clinical knowledge and reasoning and is delivered in a clear, accessible format, whilst adhering to the requirements of Speech Pathology Australia's accreditation standards.

Feedback from Unit coordinator reflection, student informal feedback and success rate on Assessment 2.

Feedback

Continued engagement with CQU's Academic Learning Centre, for support with understanding and preparing for Assessment 2.

Recommendation

It is recommended that the unit coordinator continues to collaborate with the Academic Learning Centre in preparation of effective learning support materials that enhance students' ability to prepare for Assessment 2.
