General Information

Overview

This unit uses design thinking to develop a product or service in the unique context of tourism. It equips you to navigate the process of innovation applied within a structured product development scenario. In this unit, you will learn how to identify gaps in the market through a situation analysis, define the design problem, innovate a product or service through design thinking strategies and plan for testing and development. Through this process, you will engage in self-reflection to enhance your ability to think critically and innovate using your own creative style.
