Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Email

Feedback

Some students struggled somewhat with the choice of their research project.

Recommendation

Encourage students to engage early with their research project and offer adequate support throughout term. This will also include a requirement that students advise the unit coordinator of their chosen research project topic by the end of week 4.

Feedback from Moodle Email

Feedback

One B.Ed. student expressed that they found the content highly useful for their planned career in teaching.

Recommendation

Maintain current unit content to facilitate a broad applicability beyond a strict science focus.
